

TOMGC Rules and Greens

April 2020

As I am sure you are all aware, we are in the midst of an epidemic unlike any we have experienced, possibly in our lives. I am not certain of too many things, except that this pandemic is bound to have some residual affect on how things may be done in the future in our society. One of those things may touch us right here at home at Twin Oaks Golf Course. With that notion in mind, I would like to share a note from our golf course manager, Troy Ferguson:

Hello Gentleman,

I hope that you and your families are all healthy and safe.

We all know that the world is probably forever changed based on COVID-19 and golf and Twin Oaks is no exception.

There is no definite re-open date nor official guidelines as of yet but a couple of things that are pretty certain; 1) Social Distancing will remain in force 2) F&B Operations will be modified 3) "gatherings" size will be limited.

We will also continue with some of the on-course modifications for the foreseeable future such as; 1) no bunker rakes (play bunkers as waste bunkers), 2) single rider options 3) shallowed cup depths, 4) modified range practices.

JC Golf is also looking at mobile check-in features as well to limit the Golfers interaction with staff & other golfers and ultimately allow for ease of use, no one likes standing in line and everywhere else you go allows for self-check/mobile check-in options. One of the requirements of this is advance tee time bookings.

I am reaching out to the TOMGC to see what we can do to get the guys to sign up in advance for the weeks tee times. I know the ladies club uses Google Sheets and they forward us the roster 24 hours in advance so that we can put the names on the tee sheet. Put the names on the tee sheet in advance will allow us to send payment reminder options to players.

How nice would it be to be able to "park & Play" and not have to worry about standing in line. ☺

Best Regards,

Troy Ferguson, PGA | General Manager

You should know that your TOMGC board is currently working with our golf course staff to assist in making those changes that will assist Twin Oaks in meeting their goals. Thank you for your attention.
