

TOMGC Rules and Greens February 2023

You know, there are many critical elements that go into making a golf club that is best suited for your particular golf game. To mention a few, there is: Shaft length, shaft weight, shaft flex, shaft kick point, swing weight of the club, type and size of grip, loft of the club head, lie of the club head, and the bounce of the particular club head. Each element plays a specific part in making your game the best it can be.

Like the critical elements of each of the golf clubs in your bag, it also takes a lot of critical elements in making a golf club like TOMGC function at its very best. And those elements are its members, and its board of directors! And with the possible exception of your club President, I believe we have one of the finest boards you could possibly ask for. These are guys who give of their free time to work at making this golf club the best it can be. I would like to acknowledge and thank each of them before I go on. Your board members for the 2023 golf season are: President, Communications, Scoring, Rules and Greens – **Mitch Anderson**; Vice President, New Member Ambassador, Nominations, and Wednesday Tournament and Scoring Crew Chairman – **Mike Martens**; Secretary and unofficial Website repairman – **Steve Tugwell**; Treasurer, Scoring and Saturday Tournament Chairman – **Scott McClellan**; Membership Chairman and Scoring Committee – **Brian Smith**; Handicap Chairman – **John Larisey**; Auditor – **Jerry Smith**; SCGA Delegate – **Jerry Moskovitz**; Scoring Committee – **Manley Bland**; Senior League Committee Chairman – **Rick Hiscox**; Special Events Coordinator – **Dave Mulgrew**. Give a nod to these gentlemen when you see them and let them know you appreciate all that they do on your behalf.

Your Board of Directors held their first meeting after golf on Wednesday 2/22/23 and after instructing the newest members in the secret password and the secret handshake, some impactful decisions were made. They are as follows:

- Saturday players will now be eligible to compete for Player of the Year points.
- Saturday game play will now include a skins competition.
- Saturday tournaments will be scored using Golf Genius.
- Individual “net” tournament trophies will be eliminated.
- Dave Mulgrew will serve as Special Event Coordinator.

More to come in April. Good day, and good golf.
